Raffle Baskets and Donations Needed

Please take a minute to read a little about our friend

Mark Waters.

Mark is a 39 year old resident of Eynon. He is married to the former Ashley Rotell and Dad to 10 year old Abigail.

On November 10, 2017, Mark suffered a major heart attack. After spending many days in the intensive care unit at Geisinger CMC, he returned home. Mark has been unable to return to his full time job at Archbald Borough, or any of the many other jobs he does to help others.

On April 22, 2018 we are having a pasta dinner with raffles and baskets. It will be held at:

St. Michaels's Center, 403 Delaware Street, Jermyn PA from 1:00-5:00pm

Eat – in or take- outs orders will be available.

Please help us to help Mark get back to helping others.

Donations of any type or amount would be greatly appreciated.

Please call 570-876-2258 to make any donations of any kind. We will gladly pick up any donations. If you would like tickets they are available for \$10.00

Thank you in advance for your considerations,
