New Business:

We went over presentation of envisioning grant tomorrow at Borough Council Work Session. Paul Macknosky will be joining us in our presentation.

Laura, Marie, and Kayleigh gave an update on the Archbald Pothole meeting that happened last week.

Kayleigh gave an update on the March Business Spotlight of the Month. She posted the write up about Ginger's Pies on social media. We picked a couple potential dates to show support of her business by having committee members and council visit her business. We picked the dates of Thursday March 27<sup>th</sup> at 9:30 am and a backup date of Saturday, March 29<sup>th</sup> at 9:30 am. We had a discussion about how to pick future businesses of the month and use the form that Jamie created with some of the business of the month questions. We tabled how to use the form until next month since Jamie absent, and we would like his input. We spun the April business of the month, and it was Rapuch Funeral Home!

Fran and Cindy talked about their research of creating a borough newsletter. Fran got a quote from NEIU Print Shop as \$816.30 for 500 copies. Kayleigh shared the Hometown Press folder with Fran and Cindy. They will continue research on the best option for a borough newsletter.

Old Business:

No public input.

Motion to adjourn at 8:10 by Marie and seconded by Cindy.

### **Action Items:**

**Kayleigh: Reach out to Dan, Dave, and rest of borough council to see what date works best for them to go to Ginger's Pies.**

**Cindy and Fran: research the options for creating a borough newsletter**

Next meeting will be TUESDAY April 8<sup>th</sup> at 7:00 pm.

Minutes respectfully submitted by Kayleigh Cornell
